2023/2024

North Lincolnshire

**CHILDREN'S  
MULTI-AGENCY  
RESILIENCE &  
SAFEGUARDING  
BOARD**

Helping Children,  
Protecting Children

## Introduction and context

In the context of our One Family Approach, we want to create an integrated offer for all children and families to achieve our ambition for children to thrive in their families, achieve in their schools and flourish in their communities.

Children's MARS Education and Training is set within the context of the One Family Approach in that we want children, young people and families to be supported by a workforce that is resilient, confident and competent to do what they think is the right thing to do via the fewest best interventions at the earliest point, leading to whole family turnaround.

In line with our commitment to listen, learn, review and adapt, through our Children's MARS arrangements, we are committed to a culture of learning and continuous improvement so that professionals who are working with children, young people and their families have the most up to date knowledge and skills to safeguard and promote the wellbeing of children and young people.

Our focus on education and training reflects national drivers, research and best practice, learning from national and local reviews of cases, learning from case audits and other scrutiny and assurance activity (including independent scrutiny) and local training needs analysis.

Children's MARS Education and Training is wide ranging and varied across the early help and safeguarding pathway and we orientate our education and training to core activity as well as our 'Shine a Light' and 'Line of Sight' areas of focus. Education and training pertaining our 'Line of Sight' areas of focus can be associated with any other emerging issues across the early help and safeguarding pathway.

Children's MARS Education and Training is underpinned by our Communication and Stakeholder Engagement Strategy which includes our quarterly news updates, social media and email communications and Children's MARS Spotlights. Further information can be found on the communications page in this document.

# Education and Training

A range of mechanisms are used to provide education and training opportunities to practitioners, volunteers or those coming into contact with children, young people and families. An overview is set out below.

## Training Courses

Virtual or face to face training courses are available for staff to attend. These can be facilitated by local practitioners or commissioned national experts

## E-Learning

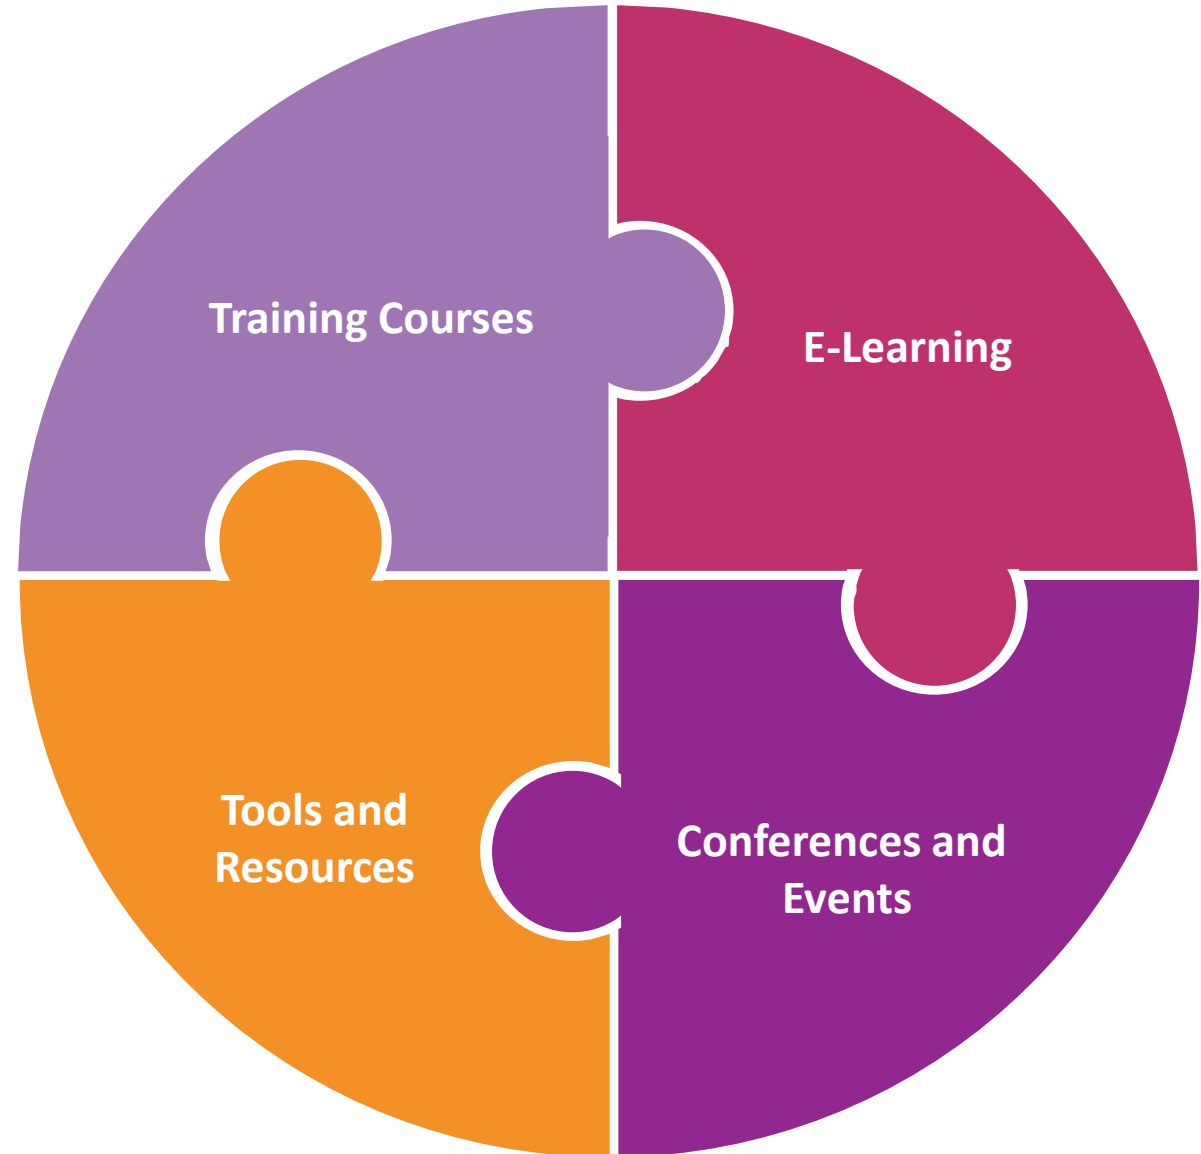

Local awareness level e-workbooks are available which are certified by the Children's MARS Board upon completion. Recommended national e-learning courses are also promoted

## Tools and Resources

A wide range of resources including subject specific toolkits, are available on the Children's MARS website

## Conferences and Events

Our Children's MARS conference and other events that held throughout the year provide a further opportunity for education, training, networking and developing relationships

## Yorkshire and Humber Multi-Agency Safeguarding Trainers Group

The Children's MARS Board are a member of the Yorkshire and Humber Multi-Agency Safeguarding Trainers Group (YHMAST). The group provides opportunities for learning and development professionals from across the region to come together to ensure the delivery of appropriate and effective safeguarding children training and learning opportunities. The aim of the group is to help improve the quality, consistency and continuity of safeguarding training across the region.

The group contributes to achieving this by facilitating members working in partnership to:

- share good practice in relation to training provision, evaluation, monitoring and quality assurance
- identify and respond to training needs arising from current and emerging safeguarding themes
- maintain a high profile of safeguarding training through a collective voice and a shared response to national safeguarding issues
- provide an opportunity for reflective practice and to support the ongoing professional development of members

Through YHMAST, the Children's MARS Board have adopted a set of training standards to reflect good practice and encourage a minimum standard in relation to the delivery of safeguarding training. The YHMAST training standards are available on the [training page of our website](#). All training provided by the Children's MARS Board will be delivered in line with the standards.

In addition to the above, a number of regional education and training opportunities are periodically arranged and made available to all staff in the Yorkshire and Humber area. Upcoming regional education and training opportunities are as follows:

	Education and Training	Facilitator	Detail	Date/Time	Level/Suitable for

## Booking Information

Currently all Children's MARS training is provided free of charge to those working with children, young people and families in North Lincolnshire. There may be exceptions to this where charges apply to cover specific training courses. Where there is a charge, it will be highlighted in this programme and communicated when advertising and upon booking.

To book, please complete and return our booking form which is available to download from the training page of our website. Alternatively, please email [mars@northlincs.gov.uk](mailto:mars@northlincs.gov.uk)

Course bookings must have line manager approval. There is an expectation that participants commit to attending the full course and arriving and leaving at the times specified. Acknowledgement of attendance is only given for full attendance.

A Children's MARS training delegates pack is provided via email prior to the course taking place. The pack contains information around housekeeping and what happens before, during and after the training course takes place.

The delegates pack can also be viewed via this link - [Children's MARS delegates pack](#)

Further information relating to specific courses, including pre-course reading material will be distributed alongside the delegates pack within the week prior to the training course.

To discuss course booking or other aspects of Children's MARS Board training please contact the Children's MARS team at [mars@northlincs.gov.uk](mailto:mars@northlincs.gov.uk)

## Feedback and Evaluation

As part of our continuing commitment to provide quality training opportunities, those who attend our training events are requested to complete an electronic evaluation form to provide feedback in relation to the effectiveness of training on practice. The information is collated and the findings used in the design of further training events.

Feedback form link: <https://forms.office.com/Pages/ResponsePage.aspx?id=7VVmWP8siUCBI7TBC3s9o0UeLyQZA-BOMsRSudPQWNFUREk2V1k1UEJNRVpNSjFIV0pGN1NURIJINyQIQCN0PWcu>

Upon completion of the survey, certificates of completion are provided on behalf of the Children's MARS Board.

We will also take other opportunities to consider the longer term impact on practice through ad hoc post training evaluation processes and through our scrutiny and assurance framework. On a routine basis we will enable practitioners and supervisors to provide examples of how training has been used in practice.

## Communications

Children's MARS Spotlights are used to communicate upcoming education and training, key messages for practice, tools and resources relating to our 'Shine a Light' areas of focus and other emerging local themes and trends. We encourage staff to distribute Spotlight and to make use of it via supervision/121's, team meetings and events in order to raise awareness across their respective organisations.

The Children's MARS Board also produces quarterly news updates which provide information on the work of the Board and includes updates on local and national guidance. We also promote new education and training opportunities, resources for professionals and volunteers, support for children and families and information relating to events and conferences.

Many of our key communications are promoted via email. If you wish to subscribe for Children's MARS communications emails, please complete the [communications sign up form](#).

A collection of our previous Spotlights and news updates can also be found on the [communications page](#).

The Children's MARS Board regularly post updates via the partnership social media pages Safe North Lincs. Support and advice for children and families can be found on our Facebook and Twitter pages.
